PARTNERS & CLIENTS

BOARD DIRECTOR

HAJI ABBAS ALI

Chairman

CHAIRMAN MESSAGE :

We TECO GROUP take the privilege to introduce ourselves as one of the leading group established since 1964. We have to our credit various reputable projects of national importance. Followed by internal restructuring, portfolio, diversification and process re-engineering. Replacing new technologies implemented for industry specific best practice, better controls and creating competitive edge in the growing construction, automation and steel industry.
